

Can 1952

29 April 1952

Dear Esther:

We will be happy to send invitations to all of the persons listed in your letter of April 25. If you want any more, just say so, and we will send them from this office, or send them to you.

I had a telephone call from Mrs. Braman early Sunday morning, telling me that she wanted publicity for her local paper, the Long Islander. She promised to send me a copy of the paper so that I could see the mast head and send our releases to the proper person.

Hope to see you one of these days.

Sincerely,

Miss Esther I. Olson
